CHICAGO – The Illinois Department of Transportation (IDOT) announced that the right lane of the southbound local lanes of the Dan Ryan Expressway (Interstate 90/94) will be closed between Garfield Boulevard and 59th Street for a shoulder drainage project beginning, weather permitting, at 9 p.m. Friday, Oct. 9.

In addition, the Garfield Boulevard entrance ramp will be closed to the southbound Dan Ryan Expressway, also beginning, weather permitting, at 9 p.m. Friday.

A second right lane will be closed to allow workers more room to work and move materials and equipment during the following hours: 12:01 a.m. to 7 a.m. Saturday; 12:01 a.m. to 9 a.m. Sunday; and 11 p.m. Sunday to 6 a.m. Monday

All lanes and ramps will be open by 6 a.m. Monday, Oct. 12.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
